

An Archery Treasure

*How do we say good-bye to a Legend,
a Pioneer, a Champion, a Friend,
A person who could make things happen
with a legacy that will never end*

*Ann, you touched so many people lives
we will never forget your smile,
Thank God for all the times we shared,
if only for a while*

*Archery was always your passion,
the bow and arrow, your claim to fame
your presence on the shooting line
could put the best to shame*

*In you, we found a golden nugget,
a precious gem so hard to find
You will always be an archery treasure
of the true and lasting kind....*
